

# BOURNE CIVIC SOCIETY NEWSLETTER

August 2018

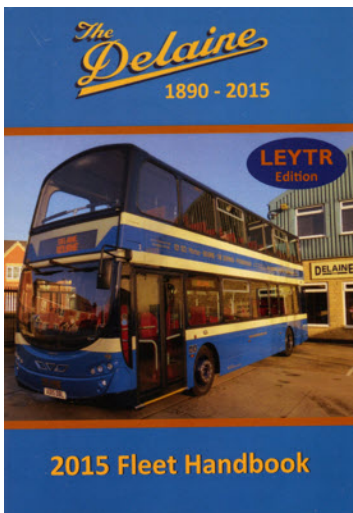

Registered Charity No 512420

The Classic Car day went well and we had the usual interest with over 300 visitors through the door.

Two of our long standing members Avice and John Budd have left Bourne, to start a new life in Birmingham. We miss them and we wish them well for the Future.

Delaine Museum visit was very well attended and Anthony gave a very good talk before the tour around the museum went ahead and we thank Anthony and Kevin for inviting the Society.

## Meetings

The next meeting will be an evening walk on Monday 20<sup>th</sup> August when Anthony Jennings one of our committee will take members and friends around the conservation area in North Street. Meet at the Town Hall at 7pm.

September meeting will be Monday 17<sup>th</sup> and we will be back in Wake House for a talk by Dr Michael Gilbert entitled "Fens living on the Edge" starting at 7 30pm.

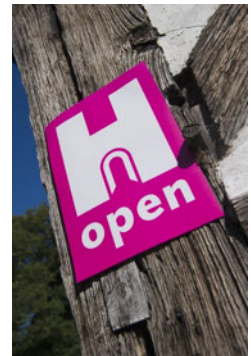

Items of Medical History have been donated to the Heritage Centre/Baldocks Mill from the Galletly Practice. They are now part of our exhibits which are in a cabinet in the top room of the mill.

Two young men from the University of Lincoln who were doing research on BRM, came to the mill to interview John Sismey and Dick Salmon as part of their Master's Degree.

The team doing the repairs are making good progress and the windows at the back have all been done, and the doors on the side also repaired and painted so Baldocks Mill is starting to look smart.

A group came from Canada to the mill and did two shows for members and visitors on what was a very interesting afternoon and evening. Some good feedback some not so good.

**HERITAGE OPEN DAYS  
2018  
Baldocks Mill  
6th September 4days  
13th September 4days**

A grant from one of our local councillors Duncan Ashwell will go towards the Exhibition which will be held in November commemorating the end of WW1.

The Social evening held at the home of Jim and Brenda was well received and we had glorious weather for it and made some funds.

# Medical Equipment Donated By The Galletly Practice

Dr A. Galletly

Dr Pace

Sister Bristow

New Display at Baldocks mill of Medical equipment once used by Dr Galletly, this coincides with the 70 th Anniversary of the National Health Trust.

One of our members Dr V. Roberts. Has made quiz from some of the medical items on display.

## Our Mission Statement

It is the aim of the Society to make sure that new developments are of the highest possible quality and developers are made aware of the issues surrounding their
